IRA contributions for 2017 can be made until April 17, 2018

An Individual Retirement Account (IRA) is a great tool to help you plan for your retirement. Depending on the type of IRA you select and other factors, contributions may be tax deductible and can grow tax deferred or tax free.

The IRA contribution limit is \$5,500 in 2017. For those 50 and older, there is also a catch-up provision that allows you to contribute even more to your IRA. The provision adds \$1,000 to the basic IRA contribution limit, which means that the maximum contribution for taxpayers 50 and older is from \$6,500 for 2017.

Choose between either an IRA Savings Account or IRA Certificate. An IRA Savings Account requires a minimum deposit of \$500 with dividends paid quarterly on the average daily balance.

IRA Certificates require a minimum deposit of \$1,000 and are offered for terms of 12, 18, 24, and 36 months.

Contact our Member Services Department at 361-855-4494 about making an IRA contribution, rollover, direct transfer or distribution.
