# MOBILE BANKING

**ACCESS YOUR ACCOUNT  
ANYWHERE, ANYTIME.**

Our TX BRIDGE CU mobile application has been updated. Enhanced features now allow you to set up push notification alerts for all types of account activity including checking, savings and loan accounts. Users can also conveniently pay bills direct from the mobile app and enjoy touch-id login.

- **Login with Touch ID** – You no longer need to input an account number and password. Simply use your fingerprint on a Touch ID enabled smart phone to quickly and securely access your account information.
- **Remote Card Control** – You can deactivate your TXBCU debit card on the app if you happen to misplace or lose it. You can also reactivate your debit card if you locate it.
- **ATM Locator** - Finding an ATM in a different city just got easier. The ATM Locator feature on our app provides you location and directions to the nearest ATM to you.
- **Push Notifications** - Notifications allow the member to receive notifications whenever activity occurs on their account and matches the setup criteria. Criteria for the notifications include items such as transaction amounts, current balance, savings goals and loan payment due dates.

The TX BRIDGE CU app is available for download free in both the Apple App Store and Google Play.

## FREE SHRED DAY Friday, October 19, 2018 9:00 a.m. to 5:00 p.m. At our Holly and Gollihar Locations

Texas Bridge Credit Union is making it easy to guard yourself against identity theft by safely disposing of your old documents that contain personal information.

Members are invited to drop off their old documents at either office on that day and we will dispose of them for you for free (up to 2 mid-size boxes per member please).

*Note: Documents may not be shredded on site.*

## Hurricane Harvey Update

As we reflect on the one-year anniversary of Hurricane Harvey, Texas Bridge CU was fortunate to have incurred minimal impact from Harvey's destructive forces. However, some of our fellow members and employees were significantly impacted with damage to their homes and businesses. We recognize the financial and emotional toll natural disasters can have on our community and TXBCU was available to support our members then and we continue to do so today.

We encourage you to remain prepared for the duration of hurricane season.
