Annual Thanksgiving Raffle

Texas Bridge CU is thankful for the generosity of our membership during our annual Thanksgiving Raffle. Seven Thanksgiving dinner baskets were distributed to our member families in need during the holiday season. Thanks to everyone who contributed to our fundraiser!

Fraud Prevention Tips for Credit Union Members

The holiday season brings family time, delicious food and good cheer. Unfortunately, it also brings fraud. Fraudsters fill with glee between Black Friday and New Year's Eve as unsuspecting members let down their guard when holiday shopping. And, what's on every fraudster's holiday shopping list? Data.

So, how can credit union members protect themselves during the holiday season? Use these tips:

- 1. Think before you click** on suspicious emails, online ads, deals and even apps. Suspicious emails and online offers may introduce malware once clicked.
- 2. Keep an eye on your accounts.** Review checking, savings and credit card accounts daily and report any unusual activity.
- 3. Create complex, unique passwords** for sites that store your sensitive information. Since it might be difficult keeping track of all the passwords, password management services can be a great option.
- 4. Keep an eye on your wallet and/or purse** while shopping. It may seem obvious, but distracted shoppers make easy targets for thefts.
