Annual Thanksgiving Raffle

Thanks to the generosity and support of our members, our annual Thanksgiving raffle was a success again this year. Money raised from the raffle allowed us to offer Thanksgiving meals to five member families in need this holiday season. We appreciate our members supporting fellow members during these challenging times.

Fraud Prevention Tips for Credit Union Members

Keeping an eye on your online shopping cart? Well, fraudsters are too. The holidays typically introduce fraud involving e-skimming, fake charities, porch pirates, false shipping notifications & payment fraud, and other scams. Below are some tips to keep you and your family members from being a victim of fraud this holiday season:

- Sign up for transaction alerts to monitor for unauthorized transactions.
- Pay attention to emails, links, and websites. Think before you click!
- Avoid entering card information on web forms (could be malware installed); instead, use your stored payment information when possible such as Amazon Pay or PayPal.
- Ensure home computers, laptops, and mobile devices are protected with antivirus, anti-spyware, and a firewall.
- Only use well-known websites for online purchasing.
- Go directly to the website rather than through social media website advertisements.
- Be cautious for skimming or shimmying devices when using ATMs or gas pumps. For gas pumps, try to use the pump closest to the entrance door as they are less likely to be a target for skimmers.
- Review and monitor your accounts daily and report any discrepancies immediately.

As always, if it seems too good to be true, it probably is!
