IMPORTANT INFORMATION REGARDING THE COMPUTATION OF YOUR LOAN BALANCE AND LOAN FINANCE CHARGES:

The balance on which the finance charge is computed is the actual unpaid loan balance each day after credits are subtracted and new advances or other charges are added. The finance charge is computed when you make a payment. For each day since your last payment, the unpaid balance in your account is multiplied by the corresponding daily periodic rate. The sum of these charges is the finance charge you owe on the loan account.

OPEN-END LOAN ACCOUNTS ONLY YOUR BILLING RIGHTS — KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

NOTIFY US IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT. If you think your statement is wrong or if you need more information about a transaction on your statement, write us on a separate sheet at the address listed on your statement. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number
- The dollar amount of the suspected error
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your CREDIT CARD Account automatically from your share account, share draft account, or through payroll deduction, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

YOUR RIGHTS AND OUR RESPONSIBILITIES AFTER WE RECEIVE YOUR WRITTEN NOTICE. We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days we must either correct or explain why we believe the statement was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to send statements to you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your statement that are not in question.

If we find that we made a mistake on your statement, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone that we report you to that you have a question about your statement. And we must tell you the name of anyone we reported you to. We must tell anyone that we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your statement was correct.

You are responsible for promptly examining each statement and reporting any irregularities to the Credit Union. We will not be responsible for any forged, altered or unauthorized items drawn on your account if you fail to notify us, in writing, within thirty-three (33) days of the mailing date of the earliest statement regarding any forgery, alteration or unauthorized signature on any item described in the statement.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us at (361) 855-4494 or write us at Texas Bridge Credit Union, 3131 Holly Road, Corpus Christi, Texas 78415 as soon as you can if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement of receipt. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or 20 business days, in the case of a transfer to or from the account within 30 days after the first deposit to the account was made) to do this, we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.
