The City of Corpus Christi will begin reconstruction of Gollihar Road beginning in November 2022 that will likely impact access to our TXBCU office until its estimated completion in September 2024. Scope of work of this project is as follows:

Reconstruction of existing roadway with new concrete pavement, curb and gutter, ADA compliant curb ramps, signage, and pavement markings. Improvements for RTA, street lights, signal lights, gas, water, stormwater, and wastewater utilities are also included.

We will provide updates as the project progresses but encourage those that normally use our Gollihar office to consider using our Holly office during peak construction activity to avoid any inconvenience.

Our TXBCU staff celebrated Halloween this year with some very unique costumes! Our Gollihar office dressed up as Snow White characters and our Holly office were Loteria game pieces. We hope everyone had a fun and safe Halloween!

Our staff and members of Karen Work's family joined to celebrate her life and honor her commitment to the American Cancer Society. We would also like to thank our membership for their donations throughout October 2022 which helped us raise \$2,000 for the American Cancer Society!
