IRA Contributions for 2022 can be made until April 18, 2023

An Individual Retirement Account (IRA) is a great tool to help you plan for your retirement with minimal investment. Also, you can receive potential refunds more quickly by setting up direct deposit with the IRS using your Texas Bridge Credit Union account information.

The IRA contribution limit is \$6,000 in 2022. For those 50 and older, there is also a catch-up provision that allows you to contribute even more to your IRA. The provision adds \$1,000 to the basic IRA contribution limit, which means that the maximum contribution for taxpayers 50 and older is \$7,000 for 2022.

We offer IRA Savings Accounts and IRA Certificates. An IRA Savings Account requires a minimum deposit of \$500 with dividends paid quarterly on the average daily balance. IRA Certificates require a minimum deposit of \$1,000 and are offered for terms of 12, 18, 24, and 36 months.

Contact our Member Services Department at 361-855-4494 for assistance with questions about making an IRA contribution, rollover, direct transfer or distribution.

New LED Display Sign – Holly Office

We recently had a new LED display sign installed at our Holly office.

This new sign allows us to communicate with our current and future TXBCU members more effectively.

We encourage you to drive or stop by and view our new sign!

Due to production issues with our debit card processor, we are not able to issue temporary debit cards at this time.

We are currently looking at alternatives to offer temporary debit cards to our members in the near future.

Debit card reissues due to expiration are not impacted.

We appreciate your understanding.
