I understand that enrolling in these services I waive the option of receiving printed statement and notices by mail and it's my responsibility to maintain proper equipment/software that will enable me to print and save these statement records. If I choose to discontinue communication electronically and begin receiving printed communication, I must notify Texas Bridge Credit Union with the request prior to the end of the month. I agree that it is my responsibility to examine each electronic communication for my account and report any irregularities or dispute in the same manner and timeframe as I would for a print communication.

By enrolling in E-services, I agree to keep my mailing and email address current at all times and will notify Texas Bridge Credit Union of any changes. When electronic communication is available for review, Texas Bridge Credit Union will notify me by emailing using the email on my account record. In addition to the regular electronic communication, I agree to receive notices, disclosures required by law, and newsletters by email.

I have the right to discontinue E-services at any time. There is no charge for this service.
