Gollihar Road Reconstruction Update

The City of Corpus Christi is currently working on reconstruction of Gollihar Road. The project began in February 2023 and will likely impact access to our TXBCU Gollihar office in the coming months until its estimated completion in December 2024. Scope of work of this project is as follows:

The project will reconstruct Gollihar Road from Greenwood Drive to the Crosstown Expressway. The existing roadway will be demolished and rebuilt with new concrete pavement, curb and gutter, sidewalks, ADA-compliant curb ramps, signage, pavement markings, RTA improvements, street light improvements, and traffic and pedestrian signal improvements. In addition to surface improvements, the project includes stormwater, water, wastewater, and gas infrastructure improvements.

We look forward to these improvements and will continue to provide updates as the project progresses. Members that normally use our Gollihar office may want to consider using our Holly office during peak construction activity to avoid any inconvenience. You can also find a link for project updates on our website at www.txbcu.com.

TXBCU Family Night at the Hooks

Texas Bridge Credit Union recently celebrated the end of summer with a game at Whataburger Field. TXBCU staff, Board Directors and their families were able to enjoy some time together out of the office and even had a surprise visit from Rusty Hook!

TXBCU in the Community

Thank you to the City of Corpus Christi HR Department for inviting TXBCU to participate at their employee open enrollment events in early August. We met with current and prospective TXBCU members to answer questions and provide information about our products and services.
